

**5th Aseanian Conference on
Dye-sensitized and Organic Solar Cells
August 25 – 28, 2010, Huangshan, China**

First Announcement

Introduction

From the Japan-Korea Bilateral Workshop on Dye-sensitized and Organic solar Cell, the 5th Aseanian Conference on Dye-sensitized and Organic Solar Cells is evolved and expanded to whole Asia and Oceania. Since 2006, the workshops have been hosted by Japan and Korea in turn. The 5th conference of this annual series will take place in Huangshan City, China during August 25 – 28, 2010, hosted by the Institute of Plasma Physics, Chinese Academy of Sciences (ASIPP).

The conference will focus on the new science and technology of DSC and OPV, and it will include plenary talks, oral talks and posters. With the attraction of China's long, oriental culture and the beautiful scenery in Huangshan City (Mt Huangshan), the 5th Aseanian Conference on Dye-sensitized and Organic Solar Cells is going to be a big assembly of the DSC and OPV community.
